

TLC at LHP 27th August 2017

by Hilarious von Hinks (Hils that is)

**People came from far and wide,
Well, mostly from quite near,
A motley crew from Timeline Choir,
A singing for to hear.**

**All were seated patiently
Awaiting on the start,
What's this I spy, it's Margaret,
Crept in the room, oh so quie - art!**

**A Sunday in the Surrey Hills,
And Sussex Hils there too,
But before a note we sang, the fire
bell rang, causing such a hullabaloo!**

**All outside into the sun,
And sitting on the grass,
Audience participation with some songs,
Helped the time to pass.**

**Finally we were back inside,
A false alarm it was,
Twice through we sang our programme,
Why? Well just Because!!!**
